Find the following words connected to PEGGY & LOST BOY FOUND within the grid.

Words may be written across the grid horizontally, vertically, diagonally and may appear backwards or forwards.

Where there are two words in the list divided by / these will be found in separate places within the grid. Two words not separated in this way will be found as one line within the grid.

When you have found all of the words in the list below, the remaining letters when read from top to bottom, left to right will reveal what it was Peggy and Cedric were on a mission to see!

Tip; encircle the words together as you find them and cross them off in the list as you go!

Good Luck!
